(C) honourary (D) honorarium

Directions : In the following questions, you have a brief passage with five questions following the passage. Read the passage carefully and choose the best answer to each question out of the four alternatives and indicate your correct alternative.

While it may suit adult students very well it is very doubtful whether correspondence education would be qdequate for undergraduates of the usual college age group of sixteen to twenty. Young people in their teems need the discipline and the supervision of a regular college course with all that it involves in the observance of an integrated schedule of work and play the personal association with teachers, and the psychological stimulus provided by competition with other students. There are obvious exceptions of course, such as the physically handicapped, who cannot get full value from a normal college education, but on the whole this distinction between young students and mature scholars is valid enough. It is therefore evident that the correspondence system of education. with provide access to higher. studies to people who would otherwise be danced it, but it will do little to ease the pressure on existing colleges.

88. Correspondence courses are most suitable for :
(A) teenagers
(B) villagers
(C) Those who are between sixteen and twenty
(D) none of the above
